

JUNIOR LEAGUE

The purpose of the Sun Dance Junior League is to expose and teach young golfers all aspects of the game, while providing them with a fun and stimulating learning environment. The program will cover; Etiquette and rules, Safety Guidelines, Sportsmanship, Competitiveness, Fundamentals, and course management. Through the league, we hope to instill in our juniors Life Long Skills; Honesty, Integrity, Sportsmanship, Respect, Judgment, Courtesy, Perseverance, and confidence. With these Life Long Skills, young golfers learn valuable lessons that apply to golf and the rest of life. They are taught through golf-related exercises with the primary goal of having fun.
