

## JUNIOR LESSONS

The Sun Dance Junior Lessons are designed to help the beginning golfer as well as the experienced player. An eligible junior golfer must be 8 years of age and not yet 18 years old. The junior program is open to all children regardless of their golfing abilities. Our goal is for every golfer who participates in the junior golf lessons to feel success and really have fun! Ultimately we encourage our students to practice and continue to work on the fundamentals to achieve a proper golf swing, and much more.. It is indeed our privilege to share this greatest of games, and contribute to the new generation of golfers.

The Sun Dance Junior Lessons are proud to host a wide variety of programs for our Junior golfers. We provide an opportunity for children, ages 8 to 17, to experience the great game of golf in a fun and safe atmosphere.

Our Junior Golf programs range from spring weekend golf lessons, and week long golf lessons in early summer to the summer junior league. All programs are held under the direction of a PGA Golf Professional, ensuring that your junior golfer will receive the best instruction available. Students will be grouped by age and specific skill level. Our programs will allow each student to learn at their own pace and develop the skills necessary to become an accomplished golfer.

If you have any questions about the Junior Program, please feel free to give the Head Golf Professional a call at (509) 466-4040.
